Colds. Their Proper Treatment and Cure. only, the first symptom of a "cold" ly feeling, accompanied by snees-tickling in the throat. The most

biliousness. Atmost the free and increased discharge from the nose.

No one ever takes cold unless constipated, or exhausted, and having what we call mal-mutrition, which is attended with impoverished blood and exhaustion of nerve force. Tonics consisting of large portions of alcohol, iron or cod liver oil do not bring the desired changes in the blood, because they do not enter the system and are not absorbed into the blood, with the exception of the alcohol, which shrivels up the red blood corpuscies when it does come in contact with them. We recommend the botanical extract of Dr. Pierce because it contains no alcohol, and offers a reasonable and scientific method of treating the blood, by improving the nutritive functions of the patient. The "Golden Medical Discovery" accomplishes this, by first restoring the enfeebled digestive organs, so that food, the natural tissus builder, will be digusted and assimilated.

Accept no substitute for Dr. Pierce's Golden Medical Discovery. There is nothing "just as good" for diseases of the stomach. The Sunday school is moving along nicely with increasing in-
